Vol. 4. No. 7.

A. Playford, Publisher.

DRAITON VALLEY PERMITS FOR 1959

Building permits for the new year total a little over \$42,000 up till February 12. Of this total about \$17,000 was commercial construction and the rest was residential, either for new houses or remodeling of existing ones.

Following is the list of permits issued and the location of each:

Cowley Bros. Residence, lot 3, block 14,
Duncan & Schoepf. Residence, lot 52, block 25
H.M. Mastre- Residence- lot 4, block 12.
H.W. Pickup- basement renovations Lot 14, bl.12
Albert Larson- Res. renovations- lot 8, block 6.
Whitehall Canadian Oils Ltd... Office and dormitories, lot 9, block 10

John Brando and Valley Valet Ltd. renovations to business establishment, lot 8, block 3.

Drayton Valley Store Ltd. New plumbing installations and interior renovations- lot 6, 7- bl.3.

Preliminary estimates are being made now on the 1959 sidewalk building program. There will be quite a large amount of new sidewalks put in this year. It is expected that a notice of the proposed sidewalks to be constructed will be published next week.

A number of inquiries have been made regarding property in Drayton Valley, currently under consideration is a new service station, located across from McFarland Lumber Yards Ltd. The group has been some talk of a building being built here this spring in the area in the centre of town, proposed for parking; the building would house the Royal Bank, with other offices, and perhaps stores or shops included in the plan. A large department store is reported to be considering putting in quite a large store in Drayton Valley, too. If it is built, it too will be built on the land across from the main part of town, is now being used for parking.

Inquiries have also been made regarding lots for the location of a motel. Men representing a large hardware concern were also in Drayton Valley recently looking over the prospects for a business location here and inquiring for places to buy or rent which would be suitable for such a business.

Drayton Valley is said to be eligible for a post office building and there is also the possibility that one may be built here sometime in the not too distant future.

A number of good business sites are still available, but until new blocks are opened up residential sites, although available at present, will be in short supply. There are said to be about 20 class "A" lots available, some 25 class "B" lots and a number of class "C" lots still to be obtained. The class "A" lots require residences built directly on the lot; class "B" lots may have an approved house moved in on the lot, and class "C" lots may have a temporary dwelling on the lot, while the main residence is being constructed, up to a period of three years. It is pointed out, however, that on class "C" lots, anyone putting a temporary dwelling on the lot has to connect it to sewer and water.

The Town Council is drafting the new budget for the coming year. A census of the population has recently been completed and figures of the amount of people now living in Drayton Valley will be available for next week's paper. Last year the census, taken in early March, showed 3304 residents. It is expected that this year's number will be perhaps a couple of hundred more, or a population of around 3500.

FATAL ACCIDENT TO C.T. OPERATOR.

On Thursday, February 5, at about 5:00 p.m. Leonard LeFournieu, age 28 years, was struck by a heavy cable while he was operating his cat on the job just east of Easyford.

Dr. Brooks attended the scene of the accident and Mr. LeFournieu was removed to Drayton Valley Hospital where first aid was administered, and he was then taken to University Hospital in Edmonton to be placed under the care of a brain specialist.

Unfortunately, he died of his injuries early the next morning. He was single, and had been living in Lodgepole previous to the fatal accident. The cat was owned by Ledko Construction Company, for whom Mr. LeFournieu was working at the time.

Coroner Dr. Brooks has stated that no inquest will be held.

WHITE BULL RESTAURANT REMODELS.

After extensive remodeling Drayton Valley's White Bull Restaurant expects to re-open for business early next week, with Tuesday set as the time of re-opening. (continued inside)

Drayton Valley, Alta.

REPORT FROM THE LEGISLATURE

BY: Harold MacLachlin, M.L.A. for Stony Plain Constituency

MACLEOD LEADS OFF: Making his first major speech since becoming Leader of the Liberal Party in Alberta, and Leader of the Opposition in the Legislature, Grant MacEwan pointed out the Government's complete reversal of policy in basing its official program mostly on items repeatedly proposed by Opposition member and as repeatedly voted down by the Social Credit majority. He closed by moving a non-confidence motion based on Government failure to recognize the need for long-range planning, and failure to solve basic problems of municipal finance in Alberta.

ATOMIC BLAST IN OIL SANDS. Social Credit member Edgar Gerhart, also speaking on Monday, expressed very serious doubts as to the advisability of permitting an American oil firm to explode an atomic "sledge" in an attempt to liberate oil locked in the famous Athabaska "tar" sands. He suggested that too little is known of the possible dangers of such an experiment. No answers have yet been tabled to a number of questions on the same matter asked earlier by Harper Prowse, former Leader of the Opposition.

NEW MEMBER TO SIT IN GALLERY. Roderick MacLeod, victor in the Olds by-election, has been sitting in the gallery, where he will have to remain until officially admitted past the "Bar" of the Assembly, some 20 days from the date of his election.

HOSPITAL BENEFITS FOR OUT-PATIENTS. The Assembly adopted unanimously a Social Credit motion to include out-patient services with regular hospital benefits, after defeating a Liberal amendment calling for expansion of mental health services.

ALBERTA HANSARD AGAIN REFUSED. For the fourth consecutive time, the Opposition's request for a verbatim record of proceedings in the Legislature was voted down by the Social Credit majority, but there were signs of weakening this time when two Government members broke ranks and voted with the Opposition.

KIRBY MOVES NON-CONFIDENCE. A second non-confidence motion was moved in the Legislature on Wednesday by Cam Kirby, provincial Conservative Leader, in which he charged the Government with failure to take action earlier and, as need arose, on items now introduced in the five-year plan. The second part of Mr. Kirby's motion was very similar to the Liberal charge of lack of long-range planning, but was dressed up in somewhat fancier language.

PREMIER AROUSED. Apparently Mr. Kirby's attack penetrated the Premier's usual cool reserve for he struck back in an obviously unreserved and bitter attack on the Opposition for offering nothing but "hearing negative criticism".

OPPOSITION MEMBERS ALSO AROUSED. Apparently, the Opposition members receiving Mr. Manning's blast were, in turn, also aroused, judging by the feeling strongly expressed by several speakers following the Premier that such a charge was very unfair, in the view of the great deal of effort many of them had put into preparation of a great number of constructive (cont'd next column)

Report from Legislature (cont'd)

proposals, including almost every item in the Government's own five-year plan.

PREMIER DEFENDS DIVIDEND. Referring to dividends, the Premier made it clear that the Government had not changed its opinion as to the rightness and soundness of the "Citizens' Oil Royalty Dividend", and that payments were merely suspended for five years in a temporary diversion of this money to help finance the five-year program.

HOFFA AND LOCAL LABOR. A Conservative motion dealing with necessity for revision of labor legislation to prevent domination of local labor unions by foreign bosses, such as Hoffa, was received when the House accepted a Social Credit back bench motion that the problem should be dealt with when the whole Labor Act is revised, with the Legislature hearing submissions from labor bodies and others.

NEW FARM LEGISLATION. Speaking in the Throne Speech debate, Agriculture Minister Halmarst revealed that there would be more aid for agriculture Service Boards; that the Farm Purchase Credit Act would be made more acceptable and that the new Farm Home Improvement Act would provide up to \$2,000.00 for improvements to the farm home at 5% interest, with repayment spread over 10 years. Sire purchase bonuses would be raised to 20% of purchase price to a maximum of \$75.00, plus freight.

IRRIGATION POLICY UNDER FIRE. Government irrigation policy came in for some very severe criticism when Independent member Bryce Stringham charged poor engineering and extreme extravagance in the \$13 million Bow River Development, for which there did not seem to be any real need as yet. The Minister of Agriculture had already admitted that the project had been developed too hastily and without adequate planning, but strenuously denied the charges of extravagance and waste.

BRAZEAU RIVER DAMS. It was indicated by the Minister of Agriculture that surveys on the BrazEAU were continuing to find suitable dam sites for water storage to even out the winter flow of the Saskatchewan River, with possible production of power also a consideration.

SENIOR CITIZEN'S HOMES. After a bit of a hassle as to whether he would be allowed to speak again on the Throne Speech amendments, Opposition Leader Grant MacEwan hit back at the Premier's criticism of Opposition tactics, and chided the Minister of Welfare on his department's handling of announcements in connection with the location of homes for the aged through local Social Credit Leagues. Mr. MacEwan observed that one would almost be led to believe that these homes were being financed by the Social Credit party rather than by public money.

THRONE SPEECH TACTICS. So far the Premier, two Cabinet Ministers, the Liberal and Conservative Leaders, and about a dozen other members have taken part in this traditional debate. The Opposition has used up most of the big guns with only former Opposition Leader Harper Prowse left, but the government (cont'd)

FOOD FOR THOUGHT

BY: Danita Boling.

Some of you will find this hard to believe but I do have days when I think rather serious thoughts and this seems to be one of those times. On such occasions I find myself returning to a poem, written by Edgar Guest, and that has traveled with me since my first year in High School. I have often given it to others who always seem eager to adopt it, as I have tried to do, so I feel that perhaps you folks might enjoy it too. Read it carefully and I'm sure the importance of its message will give you "Food for Thought".

--- MYSELF ---

I have to live with myself, and so I want to be fit for myself to know; I want to be able, as days go by, always to look myself straight in the eye; I don't want to stand with the setting sun And hate myself for the things I've done. I don't want to keep on a closet shelf A lot of secrets about myself And fool myself, as I come and go, Into thinking nobody else will know. The kind of a man I really am;

I don't want to dress up myself in sham. I want to go out with my head erect, I want to deserve all men's respect; But here in the struggle for fame and pelf I want to be able to like myself. I don't want to look at myself and know That I'm bluster and bluff and empty show. I never can hide myself from me; I see what others may never see; I know what others may never know; I never can fool myself, and so, whatever happens, I want to be Self-respecting and conscience-free.

The recipe today is a very tasty green gage Plum Salad. You ladies might enjoy serving it to your bridge group or at one of your club meetings.

1 package lime jello
1 cup hot water
1 cup plum juice
1 number 2 or 2½ can of green gage plums-seeded and mashed
1 large package of Philadelphia cream cheese
1 cup chopped pecans.

Dissolve the jello in the hot water, add juice from the plums and cool. Cream together the cream cheese and plum pulp, add nuts and mold into your favorite jello mold dish. Serve with whipped cream or mayonnaise. This is especially nice to serve with ham.

"If we could behold our own shortcomings through the same magnifying glass we use to inspect the faults of others, how differently most of us would act anonymously."

NORTHWESTERN UTILITIES CONSTRUCTION PROGRAM

A construction program for 1959 of \$4,800,000 in extending natural gas service in Central Alberta was announced today by Northwestern Utilities, Limited.

M.R. Stewart, general manager, said the company was providing service this year to 5,500 new customers on the existing (cont'd next column)

Northwestern Utilities Const. Prog. (cont'd)

system. In 1958 the company added 7,006 customers and was serving 83,526 at year-end.

Cost of the extensions to serve these new customers, including main extension, services and meters, is estimated at \$1,300,000.

The capital appropriations include \$1,250,000 for providing service to new communities. The new communities are Provost and Cadogan, 190 miles southwest of Edmonton, and the following communities 40 to 80 miles south-west of Edmonton who will be served off the company's Pembina line which was completed last fall: Thoraby, Breton, Warburg, Sunnybrook and Buck Creek. A number of other communities are also being considered for 1959, Mr. Stewart said.

Miscellaneous extension to the company's transmission lines are estimated at \$190,000 this year. Distribution system improvements totalling \$375,000 are provided for in 1959. A major project is the building of two miles of 20-inch and 16-inch main on 129th Avenue in Edmonton to complete the main trunk loop serving the northwest end of the city.

In its continuing efforts to augment the future supply of gas, the company is again providing for the acquisition of various natural gas rights. These, together with improvements to its present production system, are estimated to cost approximately \$1,200,000.

Improvements and extension to land and buildings owned by the company throughout its system total \$370,000 this year. Cost of tools, equipment and other items is estimated at \$15,000.

REPORT FROM THE LEGISLATURE (Continued)

still has some of its heavy artillery left in the front row who may get into the fray when the Throne Speech debate is resumed next week.

THE OIL WIVES ASSOCIATION OF DRAYTON VALLEY

The Oil Wives Association of Drayton Valley held their regular monthly dinner meeting in the Cadium Room of the Drayton Valley Hotel on February 9th. Ruby Halliday conducted the meeting in lieu of Jean Bosworth's absence due to a recent illness. It was decided that members leaving the Drayton Valley club should receive a silver spoon as a remembrance of their participation with the Oil Wives of Drayton Valley. A suggestion was put forth with regard to several points in the constitution which the membership thought should be brought up at the Oil Wives Convention soon to be held in Regina. Guest for the evening was Marion McOsker, former secretary for Oil Wives who demonstrated several interesting techniques for making hats from feathers. Mrs. McOsker brought a few of her hats for display and answered many questions from the floor. At the conclusion of Mrs. McOsker's demonstration each member donned a hat made from household articles. A panel of judges were selected and prizes were presented for two of the best "household hats" and also Marion McOsker for her very interesting hat making exhibition.

The Lions Den

With a large turnout of members
for the regular third-Tuesday-of-
the-month meeting the Lions Club of
Drayton Valley met for dinner in the
Cardium Room at 6.30 February 17th.

Present was a distinguished visitor
in the person of Don Garruthers, of
the Bon Accord Club, District Govern-
or of District #37. Don was honey-
moonning in this area, having just
taken to himself a lovely bride; Don
is brother-in-law to Don Booker, of
Drayton Valley.

Other visitors included Henry Zucht,
Bob Grassie and Gordon Cross. Gordon
is president of the local boxing club
which is now getting underway very
well.

The Lions group voted to take over
the Drayton Valley Rodeo, which has
been put on previously by the Drayton
Valley Rodeo Association, many
of whom are also members of the Lions
Club. The Rodeo will be put on for
two consecutive days this year, July
31st and August 1st. Some mention
was made of the time when stores
might be closed during the Rodeo,
one businessman said that perhaps
the Friday morning of the Rodeo and
the Saturday afternoon might be a
good time to close for half a day on
the two days, to give local business
a chance to participate in the
parade and to see the Rodeo. But any
times set for closing would have to
be decided among the merchants them-
selves.

The Tuesday night meeting voted to
give the sum of \$300.00 to the Scout
Hall Committee to help in laying
battleship linoleum in the hall.
Teams were picked to attend the Lions
Bonspiels in Devon and Rimbey over
the weekend.

PUBLIC NOTICE

THE TOWN OF DRAYTON VALLEY.

Public Notice is hereby given that the
Council of the Town of Drayton Valley
have received a request to authorize
the operation of a small bore rifle
range in the Community Hall. In order
to make this authorization it will be
necessary to amend By-Law No. 16 -
By-Law restricting the use of fire arms
with the limits of the Town

Council hereby makes known that it pro-
poses to amend the said By-law No. 16
in that a further clause be written in-
to the said By-Law authorizing that a
small bore range may be set up and op-
erated in the Community Hall.

Any objections or complaints may be fil-
ed with the Town Office on or before the
public meeting on the question to be held
in the Town Office on the 10th day of
March A.D. 1959.

Oil Wives Association (cont'd)

Given there was held by the Drayton
Valley Oil Wives on February 6th.
This function was attended by 86
persons. The Cardium Room of the
Drayton Valley Hotel was beautiful-
ly decorated for the occasion with
red, blue and silver masks, cock-
tail glasses and jesters. Corsages
and boutonniere's were presented to
each guest. Music for the occasion
was supplied by the Lorenz Orchest-
ra. Billian Ross & Peggy Orchest-
ra were featured in a short floor
show. A candlelight supper of fried
chicken was served to the guests at
midnight. Festivities ended at 2:00
P.M. Al Hardy of "Roughneck" Maga-
zine covered the event.

HOME AND SCHOOL MEETING February 23.
1. What is Home & School? 2. What do you, as a parent
expect of Home and School?
3. What do you, as a teacher, expect of Home and School?
4. Do we, in Drayton Valley, need a Home and School?
Mrs I.K. Sutherland, of Hinton, is coming to talk with
you about the above questions, but it is up to you to
decide the answers.

IF Home and School is to continue we need your help.
SEE YOU MONDAY, FEBRUARY 23, at 8 p.m. in the School
Auditorium!
WHITE HILL RESTAURANT RE-OPENING.
(continued)
New tile has been laid in the back addition, a new steam
table has been installed and a new stove in the back.
When fully completed there will be four more booths than
previously. The restaurant interior will be repainted,
a darker shade than previously, with other decorations
such as long mirror and large pictures added. A large
walk-in fridge has been installed in the back.
The same high quality of meals will be served in very
pleasant surroundings. The restaurant has been closed
for two weeks for the alterations.

HOCKEY MATCHES STAGED.
A crowd of approximately 200 persons took advantage of
the beautiful weather last Sunday afternoon to watch the
second game of a two-game total goal series between Drayton
Valley Intermediate "B"s and the Elton Athletics,
at the Drayton Valley Hockey Rink, which Drayton Valley
won handily with a score of 12-3, coupled with their vic-
tory on February 11 at Elton, won 9-3, gives them this
series by a convincing 21-6 margin. They now advance to
a two-game series with Burns and Dutton of Edmonton, the
first game of which will be played in Edson, Friday, Feb-
ruary 20, and the second in Drayton Valley, Sunday, Feb-
ruary 22, at 2 p.m.

In their victory over Elton, Drayton Valley were able to
dress only two defencemen, but the ability of the players
such as Art Thompson, George Derouppard and Marv Jones, to
fill in the durability of Ed Schultz and Orrie Mandryk,
the back chocking of forwards, and the remaining of Den-
nis Hadley, all helped to overcome this deficiency.

Goal scorers in the rout were Davidson, Derouppard (2),
Frecher, Junkins (2), Mandryk, Suitor, Schalts, Wilson
and Hitzke (2).

SUPPORT YOUR TEAM. A team of which Drayton Valley can be
truly proud.

DRAYTON VALLEY HIGHLIGHTS.
BY EDITH DEBY.

Miss Brenda Gitten had the misfortune to hurt her back,
and consequently was in hospital for several days. Miss
Gitten is from Sheffield, England, "he and her friend,
Miss Barbara Hingle have passed in their travels long
enough to help out in Drayton Valley by teaching grade 1.

Mrs David Brown was taken ill suddenly and is on a month
leave of absence from her classroom.

Fourteen members and two visitors attended the monthly
meeting of the W.I. Plans are being completed for the
annual bazaar, rummage sale, bake sale and strawberry
tea to be held in the community hall on March 7, from 2-5.
Mrs Krause is convening the tea and Mrs Oscar is conven-
ing the bazaar. W.I. is supporting the Cerebral Palsy
drive again this year. Post of Nickels cards were dis-
tributed among the members. Mrs Charles Moore will repre-
sent the W.I. on the Library Board for another year. Mrs
Hettinger had a contest which tested our ability.

Mrs Hettinger is "Count and Skip" contest called for some
quick witted thinking. Mrs Dick and Mrs Chaphane bottle
out to a tie. The ladies drew lots to decide the winner
and Mrs Chaphane was lucky. The March meeting will be
held at Mrs Christofferson's home on the Sixteenth.

DRAYTON JUVENILE HOCKEY RAFFLE.
The draw was made on the Juvenile Hockey Raffle on Wed-
nesday. Lucky winner of the \$300.00 Food Hamper was
R. Strack, with Number 146.

UNITED CHURCH FELLOWSHIP DINNER.
A very large turnout of members and adherents of the
Drayton Valley United Church gathered together in Com-
munity Hall on Wednesday evening to partake of an excel-
lent turkey dinner entered by the Anglican W.I. Occasion-
ally the gathering was the Fellowship dinner which pre-
cedes the Food Hamper Drive currently being conducted
by the local United Church.

M.C. ing the event was Mr Fickup. Speakers were Mrs H.
Zalmer who introduced various women who acted as Host-
esses and program co-ordinators for the dinner. Next on
the speaking list was Harry Zalmer, who gave a resume of
the history of the local United Church. Division Lead-
er Bruce Shearer spoke on the subject. They are we asked
to support the Church's Food Hamper. Bob Bruche was
introduced and spoke of the need of a community for the
Church. Also on the speaking program was Mrs. Dall.
Mr Oull lead in the Communion Prayer. Closing benedi-
ction was given by Rev. Albin Wright.

THE SIGNIFICANCE OF THE MANTOX TEST.
All school children in the Elton Health Unit are being
checked for tuberculosis or will receive this test in the near
future. In addition, food handlers throughout the
area have been tested and certificates of all cases of tuber-
culosis as notified to the Health Unit by the Central
Tuberculosis Registry in Edmonton.

The test is an infection into the skin of the forearm
of a substance called tuberculin. In a person who reacts
to this substance, the characteristic reaction of swelling
and redness appears in a few hours, reaches its max-
imum in 48 hours and gradually fades. The test is read
by a nurse 48 hours after it is performed. The signifi-
cance of the reaction to the test is that the person
has been in contact with a case of tuberculosis some
time previously. It does NOT mean that person has tub-
erculosis. All persons who show a reaction should be
X-rayed, however.

WINTER WORK CAMPAIGN-11111
Now!! is the time to have that extra work
done. Here are some of the reasons why..

1. Directly gives more men employment.
2. More men have an income and can help local
business keep thriving.
3. With more volume merchandise prices drop,
giving a direct benefit to you, the person
who had the work done in the first place.
4. Because of the slack period, labor prices
are lower and you can get the job done
cheaper.
5. Also, because of the slack period, you
don't have to wait to have the work done.
6. Indirectly, you benefit by keeping men work-
ing. Directly you benefit by lower prices.

THERE ARE MANY MORE BUT, THESE ARE SUFFICIENT
TO SHOW WHY WE SHOULD ALL GET THAT JOB DONE -
NOW

Applicable to the situation are rumpus room,
fireplaces, painting interior finishing,
... attic rooms, etc....

LODGEPOLE SCHOOL TO BE OFFICIALLY OPENED

Honorable A.O. Ashborg, Minister of Education, will officially open the new Lodgepole School on Wednesday, March 4th, at 8:00 p.m.

There will be several prominent persons present, and all the residents of Lodgepole and Cynthia are expected to be present.

This school was erected at an approximate cost of \$140,000, and contains six classrooms, science laboratory and a large gymnasium with stage. A beautiful addition to the community. Preparations are underway to add two more classrooms and a typing room, to be completed for the Fall term.

The Lodgepole school has an enrollment of about 170 at present. Six teachers are on the staff; Mrs. Martin, Mrs. Dusterhoft, Mrs. Greshuk, Mrs. Harley, Mrs. Freeman, and Mr. Elliott, high school teacher and principal.

TELEPHONE SWITCHBOARD BEING INSTALLED

Lodgepole will soon have its own telephone system with the completion of the switchboard which is now being installed in the Tony Hoytvoez residence in Lodgepole. Mrs. Hoytvoez will take care of the switchboard. Mr. Hoytvoez is employed with Pembina Pipe Lines Ltd.

Starting in March the Town of Lodgepole will have a daily mail service. Present mail service is tri-weekly.

ROOF FINISHED ON CURLING RINK.

The roof on the Drayton Valley Curling Rink is being finished with a bonded roof which is being on by an Edmonton contractor. There is over 18,000 square feet in the roof.

LOCAL R.C.M.P. SHIP WINS IN CALGARY

A rink skippered by Constable Terry Lewis, of the Drayton Valley barracks, won the Police Championship for Alberta in curling. The rink was made up of R.C.M.P. officers, Mike Hyatt, of St. Paul, played Third, Al Dink, of Westlock, played Second and Curly Kareluk, of Breton, was lead. The games were played last week, on Thursday and Friday.

This rink will go to Fort William for two days, March 9 and 10 for the Dominion Championship.

SCHOOL TO STAGE AMATEUR NIGHT.

On Friday, March 6th, Drayton Valley High School will stage an amateur night in the school Auditorium, at 8:00 p.m. Tickets are on sale for .50¢ and .25¢. Thus far about 40 contestants have lined up for the show. Entries are open to anyone, whether an school or not. It is expected that it will be about a two hour show.

TOWN CENSUS COMPLETED.

The official town census was completed recently, with a total of 2528 persons found to be residing within the

Town limits. This figure is up over 200 from last year. School enrollment is also up considerably from last year.

WARNING ISSUED ON SPLASHING.

Drayton Valley Police Chief Miles recently issued a warning to motorists in Drayton Valley to exercise care during the spring season to avoid splashing pedestrians. It was stated that those found guilty would be prosecuted to the fullest extent of the law. Pedestrians are advised to get the license number of any vehicle which splashes them if at all possible.

A driver is also being brought up in court for spinning wheels in loose gravel and breaking windows in a store front. Witnesses saw the act occur and took the license number of the car. Others have been prosecuted on the same charge in the past.

A new set of traffic by-laws for the town is now being drafted and will be published soon.

DRAYTON VALLEY HOME AND SCHOOL ASSOCIATION.

The Drayton Valley Home and School Association met in the school auditorium Monday evening, February 23. Guest Speaker for the occasion was Rev. Gerry Hutchinson, of Telfordville. He spoke of the place of Home and School in the community and its aim of better relationship between parents and teachers. Rev. Hutchinson spoke in the absence of Mrs. Sutherland who was ill.

A motion was made and unanimously carried that Home and School Association in Drayton Valley meet continue. There was an excellent turn-out of people for the Monday night meeting.

A new programme committee was formed with Mr. Byram continuing as chairman. Programmes in the future, will be much improved and well advertised as to the topic of discussion. A very encouraging turn-out was on hand for this meeting with 25 new members joining the association. See YOU next meeting, March 23.

GUIDES AND BROWNIERS FORUM.

A Thinking Day program was held by the Guides and Brownies in the Scout Hall Sunday, Feb. 12 at which 30 mothers attended. The Guides and Brownies took part in a short ceremony, followed by a film. Tea was served and a discussion followed when a local association of Guides and Brownies leaders was formed.

MEIERS RINK WINS JACK CREEK CHAMPIONSHIP

The Meiers rink won the Grand Challenge at a recent contest in Jack Creek. The local rink beat out the Robert's rink of Breton, who won over them last year. Playing third on the Meiers rink was Lou Girard, Jim Frippe was second, Ron Meiers was lead and Adrian Meier skipped the rink.

TEHOMINS WITNESSES MEET MARCH 1st

Mr. W.J. Prince will be the speaker at a Jehovah's Witness meeting in Community Hall, at 3:00 p.m. next Sunday.
